Whitgift School Two-Day Hockey Course

Whitgift enjoys a strong reputation for the breadth and quality of its provision in games, and for achieving the highest standards; many boys gain schoolboy international honours in a variety of different sports. In the last few years, national titles have been won in rugby, hockey, soccer, table tennis, swimming, modern pentathlon, athletics, fencing and cricket. The School is justifiably proud of the exceptionally wide range of sporting activities on offer to its pupils.

We currently run a number of Sports Weeks for Lower School boys throughout the year, designed for the enjoyment of the boys and also to improve their sporting skills. After the tremendous success of these Sports Weeks, we are running a two-day hockey course for current and prospective boys.

Currently, Whitgift has 23 hockey teams, with over 400 boys representing the School each year. Over the past five years, Whitgift has won 10 national titles, the U18s having won the National Schools Hockey Championship (Outdoors and Indoors) on five occasions in the last four years, a rare achievement. Numerous players have gone on to represent England. The department organises regular tours to countries including South Africa, Spain and Holland.

This course is open to any boy currently aged 7–14 years. The day's activities start at 9.30am and finish at 3.45pm. The School will be open and supervised at 8.45am on both days if this provides a more convenient drop-off time.

Please could your son bring his own hockey equipment and appropriate clothing/footwear. Lunch is not included in the cost, therefore your son will need to bring a packed lunch with him.

If your son is hoping to attend Whitgift and would like to get a taste of what it is really like at the School, this course will provide an ideal introduction to hockey at Whitgift. There will be an expert GK coach, and international players, to provide a high level of tuition for your son. We also extend the invitation to friends of your son. Please include their names on the form.

The cost of the course is £45 for one day, or £80 for both days. Please could cheques be made payable to Whitgift School.

On receiving your application for this course, further details of activities will be sent to you.

Please return to Mr Davenport, Whitgift School, Haling Park, South Croydon, CR2 6YT.
